

U.S. 169 Coalition

Working together to enhance safety, reduce congestion, and maximize economic development along the U.S. Highway 169 interregional corridor.

The U.S. 169 Corridor Coalition membership invite you to join us for a luncheon on the importance of the U.S. 169 highway corridor and how your support and involvement in the coalition can help your business. You will learn about U.S. Highway 169, the mission of the coalition, its goals and accomplishments, and membership opportunities. Whether you are a small business dependent upon product deliveries or a large manufacturing facility employing hundreds, we believe you will find value in this great opportunity to learn how you can support Highway 169 transportation improvements and how these improvements can benefit you and your business.

Cost: No cost
