

*Working together to enhance safety, reduce congestion and maximize economic development along the US Highway 169 inter-regional corridor.*

*- US 169 Corridor Coalition Mission Statement*

## About US 169 Coalition

- The US 169 Corridor Coalition was formed in 2009 to advocate for the transportation needs of the regional corridor.
- Today there are 29 government and affiliate members from a 5-county area along the corridor, from Mankato in Blue Earth County to Edina and Bloomington in Hennepin County.

## Membership

### Cities:

- Belle Plaine
- Bloomington
- Edina
- Jordan
- Le Sueur
- Mankato
- North Mankato
- Prior Lake
- Savage
- Shakopee
- St. Peter

### Counties:

- Blue Earth
- Hennepin
- Le Sueur
- Nicollet
- Scott

### Other Agencies:

- Region 9 Development Commission

### Townships:

- Louisville
- Sand Creek
- Spring Lake

### Affiliate Members:

#### *Gold Level*

- Bolton & Menk, Inc.
- Shakopee Mdewakanton Sioux Community
- WSB & Associates, Inc.

#### *Silver Level*

- Canterbury Park
- Greater Mankato Growth, Inc.
- HDR Engineering, Inc.
- Land to Air Express

#### *Individual*

- Senator Kathy Sheran (District 23)
- Elizabeth Thelemann, Jordan Dental Care

## Mission and Objectives

**Mission:** Working together to enhance safety, reduce congestion and maximize economic development along the US Highway 169 inter-regional corridor.

In service of this mission, the Coalition has adopted the following **objectives**:

- Exercise leadership in the development of policies, programs and projects that will promote the mission.
- Enlist the assistance and cooperation of the private sector in achieving the mission.
- Enlist the assistance and cooperation of federal, state and regional agencies in achieving the mission.

## US 169: Important for the State's Economy

- 40 percent of Minnesota's employment is within 10 miles.
- 1,000,000 employees.
- Twelve of Minnesota's 20 Fortune 500 companies .
- Important corridor for agri-business-freight. Expected to grow by 200 percent in the next 15 years (double the statewide rate).
- This portion of the state produced nearly half of Minnesota's corn, soybeans and ethanol.
- Over half of commodities end up going to or through the Twin Cities.
- The Corridor moves 30,000 tons of freight per day.
- The Corridor has 1,100-6,400 heavy commercial vehicle trips per day.
- The Corridor provides critical connection to Ports of Savage – the largest intermodal inland port in the upper Midwest.

## US 169 Corridor

- **Supports Businesses**

- **Moves Freight**

- **Supports Agriculture**

- **Supports Higher Education**

- **Transports Energy**

## Corridor Successes

- **Projects Under Construction / Funded**

- US 169 and CH 69 Interchange (Scott County)
- TH 22 / St. Peter Flood Mitigation
- TH 101 River Crossing Flood Mitigation

- **Completed Projects**

- US 169 and I-494 Interchange (completed 2012)
- St. Peter Minnesota Ave. (US 169) Downtown Street Improvement (completed 2009)
- TH 25 / CR 64 Interchange (Belle Plaine, completed in 2007)
- Anderson Lakes & Pioneer Trail Interchanges (Bloomington 2004-2005)
- TH 19 Interchange (LeSueur/Scott County Line, completed in 2004)

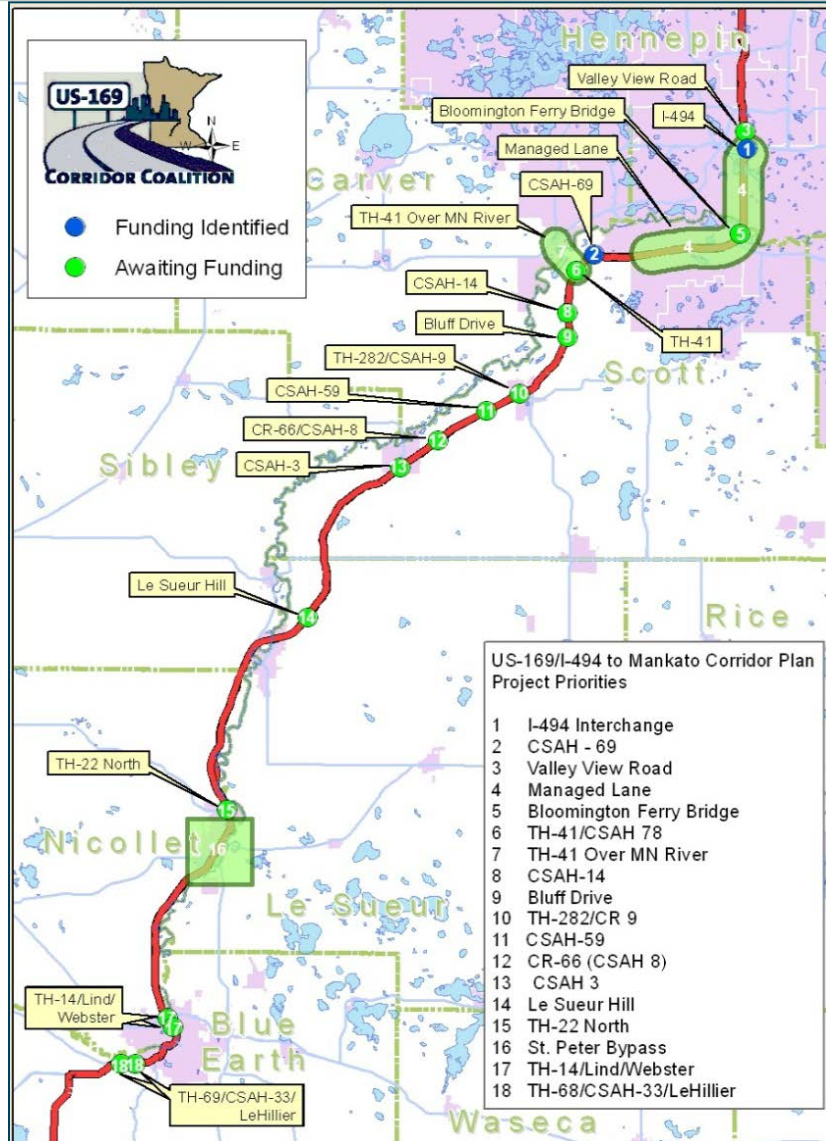

US 169/I-494

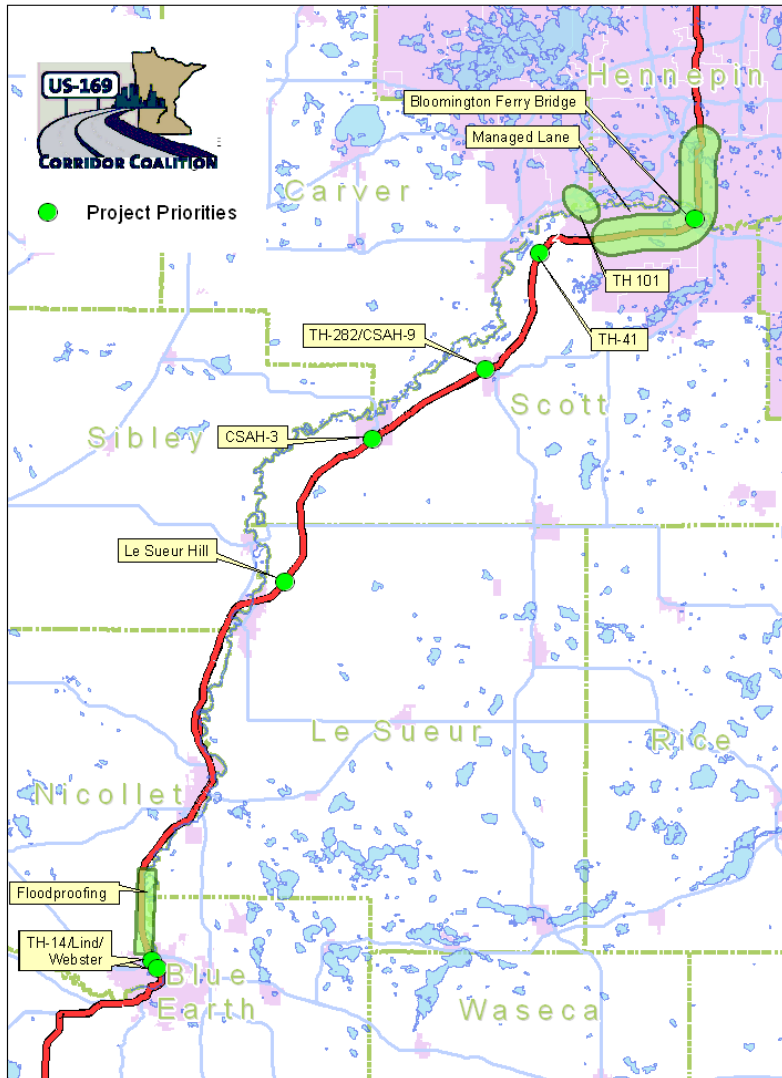

## Project Map

## Current Project Priorities

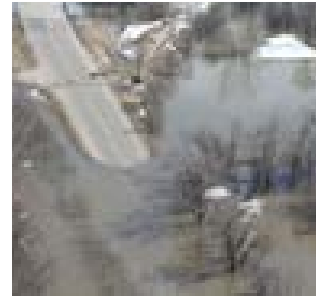

- Update of the TH 169 Interregional Corridor Study (IRC) - include transit components
- US 14 / Lind / Webster Interchange (Mankato)
- Floodproofing measures on US 169 between Mankato and St. Peter
- LeSueur Hill Interchange
- CSAH 3 Overpass (Belle Plaine)
- TH 282 / CR 9 Interchange (Jordan)
- TH 41 / CSAH 78 Interchange (Jackson Township, Scott County)
- TH 101 Flood Mitigation - replace 4-lane bridge above 100-year flood elevation (Shakopee / Chanhassen)
- US 169 Bloomington Ferry Bridge - add capacity
- US 169 Managed Lane in Twin Cities metro area (from CSAH 17 North)

\*Coalition is in the process of identifying next steps for each project and creating a list of potential funding sources.

## Legislative Platform

- Support the re-evaluation of the Highway 169 Interregional Corridor Study (including transit feasibility).
- Funding should be continued for programs like TED, SaM, CIMS.
- Local bridge and/or flood mitigation bonding is critical to reducing the impacts of flooding along the Minnesota River Valley and, by extension, the US 169 corridor.
- Right-of-Way Acquisition Loan Fund (RALF) should be continued, and perhaps expanded for use in the Metropolitan area.
- Support the evaluation of all transit options along the US 169 corridor.
- Support the evaluation of bicycle, pedestrian and recreational trail connections along the US 169 corridor.
