New Sweden Dairy Tour

August 9, 2012

7:00-8:00 P.M.

Please join the members of the Highway 169 Coalition for a tour of the New Sweden Dairy (NSD) to be held on August 9, 2012. New Sweden Dairy produces about 20,000 gallons of milk per day, which is transported to Davisco's LeSueur Cheese plant. New Sweden Dairies milk results in the production of approximately 22,000 lbs. of cheese each day. In addition, whey proteins and lactose are harvested at the cheese plant and are supplied to many companies that utilize these ingredients in food, nutraceutical and pharmaceutical products that are consumed in the United States and around the world.

Meet at the Treaty Site History Center located at 1851 N. Minnesota Avenue in Saint Peter at 6:30 p.m. Bus transportation will be provided to the New Sweden Dairy. Tour will run from 7:00 – 8:00 p.m. with bus transportation back to the Treaty Site History Center. The monthly business meeting will follow the tour at the Treaty Site History Center.
