The meeting was called to order at 5:30 PM by Chairman, Commissioner Jon Ulrich.

1. Welcome/Introductions – Jon Ulrich, Chair, Scott County Commissioner
2. Adoption of Agenda

Mayor, Bob Broeder made a motion to approve the agenda. The motion was seconded by Commissioner, Vance Stuehrenberg and approved.

3. Adoption of Minutes from April 11, 2013

Community Development Director, Michael Leek made a motion to approve the minutes. The motion was seconded Council Member, Tom Hulting by and approved.

4. Financial Report for April 2013

Commissioner, Jan Callison made a motion to approve the April 2013 Financial Report. The motion was seconded by Council Member, Tom Hulting and approved.

5. Coalition Focus

a. Studies

- i. Long Haul Transit: Reviewed and discussed the one pager on the Long Haul study.
 - The cost of the study would be a range or a not to exceed amount.
 - Partners would be needed for funding the study. Counties/Cities could do outreach in their area to colleges and hospitals. Have a future meeting in St. Peter to reach out to colleges.
 - The Greater Mankato Transit study was completed within the last 12 to 18 months (potential presentation item for future Board meeting).
- ii. Corridor of Commerce Study: Would educate people on the importance of the corridor with market and data analysis.
 - Would be used as a funding tool and for future analysis/other studies.
 - The cost of the study could be in \$50,000-\$60,000 range.
- iii. There is more interest by the Executive Committee members in doing a Long Haul Study.

b. Coalition Direction for 2013-14

i. Membership:

- Lobbyist: It was decided not to hire a lobbyist. Lobbying is something the elected official should do.
- Outreach Events: There are three outreach events this year. Could have events/meetings at businesses along the corridor.
- Another way to attract members is by getting projects delivered along the corridor and having publicized public events on the project.

- ii. Work plan: Jurisdictions along the corridor should be providing their success stories to be included on the website and newsletters.

Updates to Work Plan

- Goal 1 – #1 a. & b. combine and delete reference to Executive Committee meeting annually with each district engineer ect...
- Goal 1 - #2 iii delete this item
- Goal 2 - #2 c delete May and delete item d.

- On page 4 under #3 have a separate number for the administrative items listed under c.

There was discussion with future work plans to prioritize items and then go back to correlate what administrative services/social promotion services are needed to complete the items in the work plan. This will assist in determining the budget.

- c. Administrative Service: The Committee discussed including the social media aspect with the job. With the proposed job description and travel time to meetings there would need for more than 20 hours a month, 30 hours a month would be more realistic. Will need to put out a RFP for the administrative services. May need to find one or two people to provide the services that are needed. It is anticipated there would be 20 hours a month of administrative services and 10 hours a month for website/social promotion. Anticipated monthly budget of \$900 per month.
- d. Bylaw Revision and Membership Considerations: Michael Leek provided some revisions to Bylaws, shown in underline and strikeout. The modifications will be brought to the membership at the Board meeting.

Commissioner, Vance Stuehrenberg made a motion to approve the Bylaw Revisions. The motion was seconded by Mayor, Bob Broeder and approved.

6. Corridor Advocate Update
 - a. Outreach Event: Tuesday June 18th Breakfast from 7:15-8:30 a.m. at Heritage Hall, South Central College, North Mankato. Vance Stuehrenberg will be a presenter.
7. Next Board Meeting – have in St. Peter and getting input from colleges on Long Haul Study.
8. The meeting was adjourned at 6:53 p.m.

Respectfully submitted by Lisa Schickedanz, Scott County
