Preliminary LPA Recommendation

LRT 3A is the alternative that best meets the Purpose & Need for the Project as expressed by the goals of:

- (1) Improve Mobility;
- (2) Provide a Cost-Effective/Efficient Travel Option;
- (3) Preserve the Environment;
- (4) Protect Quality of Life; and,
- (5) Support Economic Development

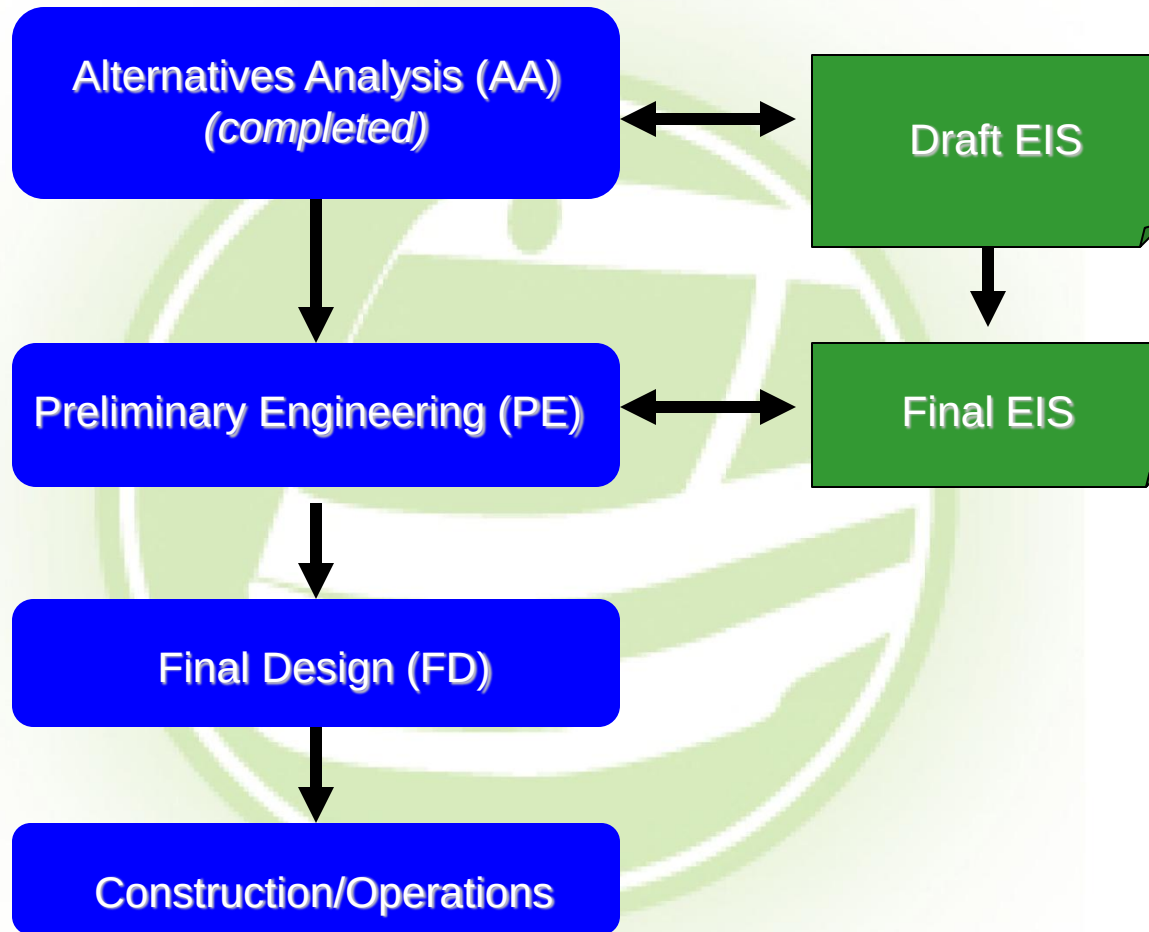

On September 10, 2009, the Southwest Technical Advisory Committee (TAC) voted unanimously to accept the consultant's recommendation that LRT 3A be selected as the LPA.

On October 14, 2009, the Southwest Policy Advisory Committee (PAC) voted to accept the Southwest TAC's recommendation that LRT 3A be selected as the LPA. The Southwest PAC forwarded their recommendation to the HCRRA.
