TOTAL	\$ 39,250	

Population Estimates Source: Minnesota State Demographic Center, Release date July 15, 2014

Requested Action: To approve the recommended 2015 financial contribution voting member (governmental unit) dues structure for the US 169 Corridor Coalition and to request that treasurer notice the clerk's of all the existing members in compliance with the US 169 Coalition Joint Powers Agreement.

Business/Organizational Level Membership Dues

The 2014 Affiliate Members suggested membership levels were as follows:

- **Platinum Level:** \$1,000 and above.
- **Gold Level:** \$500
- **Silver Level:** \$250
- **Bronze Level:** \$100
- **Individual Level:** \$25

Requested Action: To approve the recommended 2015 Affiliate Member dues structure for the US 169 Corridor Coalition at the same level as in 2014.

Affiliate Members Invoicing

To coordinate the Affiliate Membership dues with the timing of the payment of Government dues, it would be beneficial to send out yearly invoices in December making dues payable in January. Currently we have several affiliate members that have not paid their yearly dues and the invoicing is more difficult since all the affiliate members have joined at different months of the year. This would allow for a better invoicing system for Affiliate Memberships. If approved we would send out letters to all the current unpaid Affiliate Members, allowing the paid dues from any time this year to carry forward through December 31, 2015. In December 2015 invoices will be sent for dues payable for 2016.

Requested Action: Move to approve invoicing the Affiliate Membership on annual bases, with invoices sent out in December. All dues collected prior to the end of the year will extend through the year and made renewable through December 31, 2015.
