Legislative Platform 2014

Support investment in corridor and multimodal studies

- Support the re-evaluation of the Highway 169 Interregional Corridor Study (including transit feasibility).
- Encourage the evaluation of all transit options, including bicycle, pedestrian and recreational trail connections, long the US 169 corridor.

Advocate for continued and/or expanded transportation funding

- Continue funding for programs like TED, SaM, CIMS and Corridors of Commerce.
- Support bonding for critical local bridge and/ or flood mitigation to reduce flood impacts along the Minnesota River Valley and the US 169 corridor.
- Foster the Right-of-Way Acquisition Loan Fund (RALF) in the Metropolitan area.
